Adopt a Storm Drain

by: Debbie Drees, Public Works

Here come the leaves! Be watchful for the fallen leaves in the streets because when it rains, they all end up in the street gutters and in our stormwater catch basins causing flooding in low lying areas.

Help us keep the water quality in good condition and help prevent flooding in some of our streets by raking up the leaves you see at a catch basin.

Keeping it clean improves your neighborhood, reduces flooding and helps protect our water resources. Adopt a storm drain in your neighborhood.

Mease Countryside Hospital Expansion

by: Marcie Stenmark

On January 2, 2018, the City Commission approved a site plan modification for Mease Countryside Hospital allowing for a campus expansion. At the public hearing, Lou Galdieri, President of Mease Hospitals, indicated that Mease Countryside Hospital is embarking on a multi-year capital investment to the campus in Safety Harbor totaling \$156 million.

Plans include:

- A four-story addition to the main patient tower, resulting in 46 new patient beds and an increase from 32% to 82% of single patient rooms;
- An interior courtyard to enhance patient and visitor comfort with landscaping, seating, and a children's play area;
- A four level parking structure north of Mease Drive, with an above-grade pedestrian overpass connecting to the main patient tower;
- Interior renovations to the existing main patient tower; and,
- New outpatient chemotherapy and infusion endoscopy units and an expanded pharmacy.

FreemanWhite is the architect for the expansion. Construction is expected to occur through 2021.

Downtown Partnership Grants Spring 2018

Downtown Partnership Grant funding is available this spring for projects within the Community Redevelopment District. The application deadline is April 23, 2018. Grant categories include: building facade, front porch, fencing/walls, new signage, Americans with Disabilities Act (ADA) improvements, public art/murals, landscaping, dumpster enclosure, interior renovation, new non-residential building, and grocery/market or hardware store uses. In addition, a new category for an artistic bicycle rack has been added. Most of the grants require a match.

Grant applications require a written project proposal and two contractor estimates. Applicants are encouraged to work with contractors based in Safety Harbor. Canceled checks are required prior to reimbursement of the grant.

The application form is available at: cityofsafetyharbor.com/119/Downtown-Master-Plan. For more information, contact Marcie Stenmark at mstenmark@cityofsafetyharbor.com or 727-724-1555 x1702.

Have a **REAL** Fun Summer

by: Shannon Schafer,
Recreation Superintendent

Summer is right around the corner! Planning a child's summer is important to continue their educational experiences, growth and development.

Your Recreation team is busy planning REAL Fun camps and programs to beat the summer heat while keeping our community active and engaged.

Registration begins April 1-8 for all Safety Harbor Residents. On April 9, registration will open up to all non-residents.

New this year will feature some REAL Fun family events, adult summer camps, adult and child trips and a plethora of new full and part day camps.

Have a suggestion for a program you'd like to see your Leisure Services Department offer? Email sschafer@cityofsafetyharbor.com or call 724-1562 x1516 .

Safety Harbor Library CoderDojo:

Kids Learn to Code, Create Apps, and Geek Out

by: Lisa Kothe

CoderDojo, a volunteer led community of free programming clubs for youth, started in Ireland seven years ago and has grown to over 450 Dojos around the world. The movement started locally in 2015, when co-champions Nancy Vellucci and Anastasia Underwood, youth services librarian, started the Safety Harbor CoderDojo chapter.

At CoderDojo, kids from 7 to 17 learn how to code, develop websites and apps, games, and explore technology in a fun, collaborative environment focusing on creativity. Participants share their accomplishments, learning not only to code, but to communicate effectively.

The program is organized, run and mentored by volunteers. In 2016, Identifi, a technology company headquartered in Safety Harbor partnered with the Library to provide CoderDojo with additional mentors and curriculum development. In 2017, Identifi provided funding to increase bandwidth at the library to accommodate the 50+ participants attending the popular weekly program.

For more information visit: www.shcoderdojo.com or call the Youth Services Department, 727-724-1525 x4118. Visit our website: www.SafetyHarborLibrary.com to find the resources mentioned and more.

Yard Waste Collection Reminders

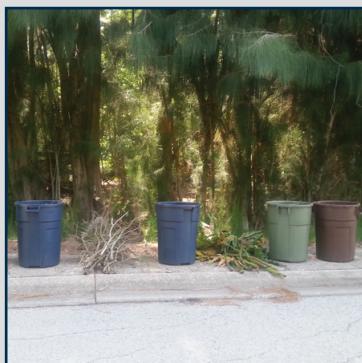

by: Sherri Kennedy,

Yard waste is only collected on Wednesdays and in 32-gallon cans or bundles at the curb. Yard waste materials, such as grass clippings and leaves must be placed in unlined garbage cans no larger than 32 gallons and curbside by 6:30 a.m. Please do not place recyclable yard waste in the 90-gallon barrel, recycling containers, or various other totes/containers. Do not use plastic bags. All yard waste must be in 32-gallon cans or bundles.

Yard waste too bulky to be containerized such as branches and other vegetative materials must be cut into sections no longer than 4 feet in length and 6 inches in diameter, then bundled with twine in arm size manageable bundles. Please do not tape bundles or mix paper or plastic in as this will contaminate the recycling process for the entire load and will result in yard waste not being collected. Piles of yard waste in excess of 1 and a half cubic yards can be collected by special arrangement with the sanitation division.

Any bags of leaves must be placed out on your garbage day with the limit of ten total items outside of the automated garbage can.

If you have any questions regarding preparation or quantity, please call 724-1550, x2002 for instructions.
