The Public Art Committee chose first-place winners in each subject category and selected 12 finalists for the Best in Show. First-place winners were announced and recognized at the City Commission meeting on February 17, 2020. The winners were: Fred Brisard, *Sunrise/Sunset*; Barbi Kiser, *Nature & Wildlife*; Veronica Botts, *Special Events & Programs*; Dale Dervin, *Parks & Landmarks*; Chuck Alestra, *Safety Harbor's Thriving Downtown*; Jacqueline Faust, *Love My City*.

The City Commission chose Dennis Wyrick's photo of the Safety Harbor Pier as the Best in Show Winner. Mr. Wyrick will be recognized by the City Commission in March.

## Spring Clean-up by Sherri Kennedy, Sanitation Supervisor

During the months of March and April, the Sanitation Division will be picking up unlimited household "spring cleaning" and yard debris for city residents free of charge. These items will be collected on the regular collection day starting March 2<sup>ND</sup> through April 29<sup>TH</sup>. All items must be prepared to City Code in the appropriate trash receptacles. Any items too large, may be placed 3 feet away from the City issued container. Bagged leaves need to be placed out on the appropriate garbage day, not Wednesdays. All yard waste collected on Wednesday is hauled Pinellas County Landfill where it is recycled for mulch. In order for the yard waste to be recycled into mulch, it must be free of any contamination. Contamination means anything that is not pure vegetation.

Yard waste too bulky to be place in a container, such as branches and other vegetative materials, must be cut into sections no longer than 4 feet in length and 6 inches in diameter, then bundled with twine in arm size manageable bundles. Please do not tape bundles or mix paper or plastic in since this will contaminate the recycling process and will result in yard waste not being collected.

If you have any further questions about Spring Clean-up, please call the Public Works Department at 727-724-1550 between 6:30AM and 3:30PM.

## *Florida's First & Only Tool Library Is Here in the Harbor*

by: *Lisa Kothe, Library Director*

The Safety Harbor Library opened the first tool library in the state of Florida in December 2016 with an inventory of 242 items. A little over three years later, we have an inventory of 366 items with 1321 items checked out last year. Our most popular items include pressure washers, carpet cleaners, pole chainsaws, sliding miter saws, and nail guns.

Tool libraries offer home and garden tools reducing cost barriers to home improvements and encourage community sharing. Our mission is for all residents to have access to quality tools at no cost. To borrow tools, you'll need a free Pinellas County Public Library (PPLC) card obtained at any member library.

Tools are reserved online through our catalog; <https://safetyharbortoollibrary.myturn.com/library/> at least one day prior to the day you would like them, then are picked up during designated Tool Library hours; Wednesday through Saturday. Items may be returned anytime during normal library hours, Sunday through Saturday. Upon your first visit to pick up tools, you are required to sign a membership agreement and release form which remain on file.

Don't buy, borrow, and if you buy and won't use your tool again, consider donating it to your local tool library. For more information, visit our website, [SafetyHarborLibrary.com](http://SafetyHarborLibrary.com) or call our Answers Desk, 724-1525, extension 4112.
