## SANITATION COLLECTION CHANGES STARTING ON MARCH 7, 2022

by: Sherri Kennedy, Sanitation Supervisor

On February 7, 2022, the City Commission approved a Resolution regarding changes to the City's sanitation services. Starting on March 7, 2022, the City will begin the Sanitation Pilot Program – changing yard waste collection day and modifying collection routes (recycling days remain unchanged). Yard waste will now be collected on the same day as household trash.

In order to make this change, several neighborhoods will be changing collection days. The following neighborhoods will now be collected on Wednesdays:

- Willowick
- Bow Lane
- Harbor Heights Estates
- Philippe Bay
- De Soto Estates
- The Highlands at Safety Harbor
- Harry Kennedy Subdivision
- Fairview Heights
- Signature Estates

- Philippe Estates
- Bayshore Terrace
- Mira-Mar Terrace
- Philippe Woods
- Georgetown East
- Chevy Chase Estates
- Huntington Estates
- Huntington Trails
- Huntington Lakes

- Huntington Isles
- Huntington Trace
- Huntington
- Hillcrest Acres
- Beacon Place East
- Country Trails
- Los Acros
- La Forest at Greensprings The Grove
- La Forest at Greensprings The Garden

- Baywoods I – III
- Philippe Point
- Bayview Cottage
- Elliott-Crile
- Philippe Harbor
- La Playa Estates
- Bridgeport Estates
- Bridgeport South
- South side of Enterprise Rd from Philippe Pkwy to Green Springs Dr

All garbage, trash, and yard waste should be placed at the curb for pickup no later than 6:30 a.m. on the scheduled day for collection. All items must be placed in the City provided 90-gallon garbage barrel (with the exception of some mobile home parks). Please fill your 90-gallon barrel first before setting out bulk items. Any bulk items or additional bags of leaves/garbage that do not fit in the 90-gallon barrel, not to exceed 10 items, will be collected on your garbage day. Yard waste too bulky to be containerized such as branches and other vegetative materials must be cut into sections no longer than 4-feet long and 6-inches in diameter, must be bundled with twine in arm size manageable bundles. Any items not conforming to this will not be collected and a special pick-up will be required.

There are additional changes to the Annual Spring Clean-up program. The City is now transitioning to Quarterly Clean-up dates. The dates and collection details are listed on the back cover. Also, keep an eye out in your mailbox for a postcard with more information.

If you have any questions or need to schedule a special pickup, please contact Public Works at 724-1550 ext 2002. Additional information, including a map showing the new collection routes, is posted on the City's website. [cityofsafetyharbor.com/Sanitation](http://cityofsafetyharbor.com/Sanitation).

### WHEN IT RAINS, IT DRAINS

Incorrect use of fertilizer and poor landscape debris management can allow debris (leaves/lawn clippings), chemicals, dirt, and other pollutants to wash into the storm sewer system, creeks, ponds, lakes, and Tampa Bay. This causes harmful algae blooms, which lower oxygen levels and lead to fish kills.

Pollution can be controlled with your help. If you live near the waterfront (lake, pond, creek, Tampa Bay), the fertilizer-free zone begins 10-feet back from the top of the slope toward any seawall or body of water.

Remember, always blow grass clippings, sand, and leaves back in the yard. This debris is heavily loaded with nutrient pollutants and can cause street flooding. Always remember... When it Rains, It Drains.

# AROUND SAFETY HARBOR

## MOVE ON OVER, SAFETY HARBOR

by: Andrew Portale, Firefighter/Paramedic

Picture this: you're cruising down McMullen Booth Road on a spring day with the windows down when you encounter emergency vehicles on the shoulder. How do you appropriately handle this situation so that the first responders can safely make it home to their families? Fortunately, your friends at the Safety Harbor Fire Department are prepared to share a few national safety standards and state statutes to prevent an irreversible mistake.

Did you know that all 50 states have passed "Move Over" laws that mandate drivers reduce their speed or move over one lane for emergency workers? When encountering emergency vehicles with their lights on, Florida state law requires you to move over (if possible) or reduce your speed to 20 miles per hour less than the posted speed limit. Another way to protect yourself and others from an avoidable accident is to remain alert and avoid distractions while driving.

We look forward to our future safe encounters out in the community.

## GRANT APPLICATIONS & MAYOR'S AWARD OF EXCELLENCE NOMINATIONS

by: Marcie Stenmark, Community Development Director

The City of Safety Harbor Community Redevelopment Agency is accepting Downtown Partnership grants through April 1, 2022. Categories include façade, front porch, fencing, signage, public art, landscaping, dumpster enclosure, interior renovation, new non-residential building, market/hardware store, and artistic bicycle rack. A link to the application is below:

[cityofsafetyharbor.com/DowntownPartnershipGrant](http://cityofsafetyharbor.com/DowntownPartnershipGrant)

The City of Safety Harbor is accepting Mayor's Award of Excellence applications. The Mayor's Award of Excellence recognizes property owners for beautifying their property and enhancing the property's curb appeal. A link to the applications is below:

[cityofsafetyharbor.com/27/Neighborhood-Grants](http://cityofsafetyharbor.com/27/Neighborhood-Grants)

For more information, contact Marcie Stenmark, Community Development Director, at [mstenmark@cityofsafetyharbor.com](mailto:mstenmark@cityofsafetyharbor.com).

## JUNIOR MAYOR OF SAFETY HARBOR

Emilia V. is a Safety Harbor resident whose philanthropic nature and volunteer efforts earned her recognition as part of the Junior Mayor Challenge.

Safety Harbor's youth, teens, and senior citizens benefit from her efforts promoting businesses and supporting a healthy economy that helps Safety Harbor thrive and raising awareness that children and teen residents wish to be heard on topics and concerns they feel their community would benefit from by being addressed.

Emilia helps advertise, and frequently visits, downtown businesses, volunteers at local restaurants for various events, and offers dog-walking services in her community through her own private business.

Emilia is passionate about being involved in her community and helps target areas of focus that provide a better place to live and play for all Safety Harbor residents. As a model volunteer, student, entrepreneur, and citizen of Safety Harbor, Emilia has a bright future ahead of her.

# SAFETY HARBOR PUBLIC LIBRARY

## CELEBRATE NATIONAL LIBRARY WEEK @ YOUR LIBRARY *by: Lisa Kothe, Library Director*

The Safety Harbor Public Library, along with libraries across the country, celebrate National Library Week, April 2-9, recognizing how libraries transform their communities through innovative materials, services, and programs.

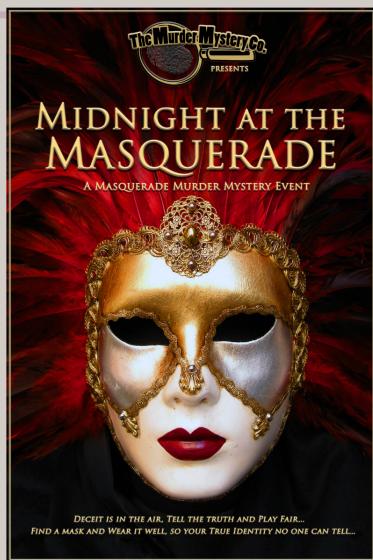

Your library isn't just a place to study or get the new bestseller. It's a creative and engaging community center where people of all ages can meet and collaborate, attend a concert, cultural program, or story time, pick up free seeds or a to-go program, or check out a museum pass or one of the 400+ tools from our Tool Library.

If you know someone who needs a high school diploma we can help through our Career Online High School program. Want to meet people and talk books? Try one of our book clubs. If you can't get here to pick up materials, we can come to you via our home delivery service.

Our digital library never closes, offering audio, e-books, and e-magazines via Libby and hoopla. We recently added Kanopy, a video streaming service with access to independent and documentary films and Great Courses. If you want to learn a new language, try Pronunciator, an online program offering your choice of 163 languages.

We continue to evolve every day to support our community. We recently added a sensory corner in the children's area with materials children can see, touch, and explore to regulate their bodies through calming sensory experiences. We are excited about the construction of the second story and transforming our space to better serve you.

There is Something for Everyone @ your Library. Please come visit us person or online, [www.SafetyHarborLibrary.com](http://www.SafetyHarborLibrary.com) or call the Answers Desk, 727-724-1525 x4112, for information on our services or programs.

# SAFETY HARBOR RECREATION

## FOLLY MAGIC

by: Kelsy Johnson, Safety Harbor Garden Club

Native plants, butterflies, and cheer galore at Folly Farm and Mullet Creek Park, the homes of the Safety Harbor Garden Club!

The Club is a group of plant-loving people with the intention of learning about, educating others on, and fostering the growth of local flora. With help from the talented and dedicated city team, the Club is underway making Folly Farm the best butterfly garden in the state.

Efforts include the planting and care of a rainbow-like display of nectar and host plants that keep our winged lovelies plenty happy stopping in town! With such a noble task at hand, the Safety Harbor Garden Club is always welcoming new members and extra hands. All are welcome to volunteer, and those seeking to become new members of the Club should visit <https://www.safetyharborgardenclubsafetyharborflorida.com> and click on "Application Form New Members" under the "Membership" tab.

Yearly dues are \$20 per person or \$35 per couple, and you may email any additional questions to [MembershipSHGC@Gmail.com](mailto:MembershipSHGC@Gmail.com). Or you might want to simply come out to Folly Farm Monday and Tuesday mornings to meet the family and volunteer! Tasks include weeding, pruning, having a blast, transplanting plants, eating deserts, sunbathing (while filling buckets with weeds), learning the names and ways of plants and their butterfly friends, and of course, the beautification and enhancement of Folly Farm, for which the Safety Harbor Garden Club is famous. Hope to see you soon, cheers!

## IT'S BACK, SAFETY HARBOR ECO-EGG HUNT!

by: Donna Mack, Volunteer Coordinator

Gather up your friends, family, and neighbors for a family-friendly twist on the traditional egg hunt! Teams of six will meet at Folly Farm Nature Preserve on Saturday, April 9, from 10:00AM – 1:00PM to clean up the park by hunting air potatoes. You'll have 90 minutes to fill up as many buckets as possible with air potatoes. Once your buckets are full, turn them in to be weighed to see who wins the grand prize.

Don't forget to name your team and create a team shirt.

You'll want to bring gloves, garden tools, and bug spray and be sure to wear long sleeves, pants, a hat, and sunscreen.

There will be food vendors, games, crafts, a plant sale, and pictures with the Bunny!

### WHAT IS AN AIR POTATO?

The air potato is a member of the yam family with twisting vines, characterized by large, heart-shaped leaves growing alternately on stems which can grow up to 70-feet high. It grows rapidly – up to 8 inches per day – choking off the air, water, and sunlight supplies of the nearby plant life. Each leaf produces one potato bulb, which falls to the ground and re-sprouts a whole new plant, continuing the deadly cycle.

Sign up today to help eliminate this problematic plant and keep Folly Farm green! Please contact Donna Mack at [dmack@cityofsafetyharbor.com](mailto:dmack@cityofsafetyharbor.com) with any questions.

# RECREATION EVENTS & PROGRAMS

## SPRING BREAK CAMPS

### Spring Farm Camp

Ages: 5-10 3/14, 3/15, 3/16, 3/17, 9-11AM, \$25/day, Folly Farm
