SAFETY HARBOR SHREDS *by: Donna Mack, Recreation Program Coordinator*

Do you have unused or expired prescription medications that you no longer use? Do you know how to get rid of them? Do you throw your unused medications in the trash? Or flush them down the toilet? Do you throw away old bills or personal information in your trash can? Stop for a minute – is that the right thing to do? Can someone go through your trash to look for disposed of medication or personal information? Let's do the right thing by disposing of these items the correct way.

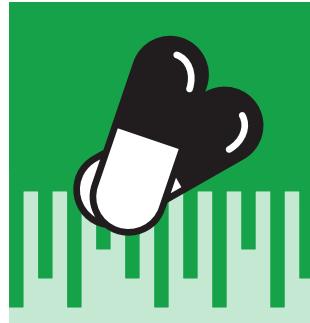

The City of Safety Harbor's Leisure Services and Public Works Departments have partnered with the Pinellas County Consumer Protection and Pinellas County Sheriff's Department to host our annual Safety Harbor Shreds event to help the community dispose of sensitive documents and unwanted prescription drugs.

As we all know, consumer fraud, identity theft, and the misuse of medication is on the rise and is becoming a severe problem. When someone obtains your personal information, such as your Social Security number, bank account number, or credit card information, they intend to do something illegal – such as open accounts, purchase products, and incur debt in your name. It may take years to detect, and even longer to correct.

This year's 4th Annual Shreds event will be held on September 28, 2024, from 8:00AM to 12:00PM at the City's Public Works Complex, located at 1200 Railroad Avenue. We welcome both residents and non-residents to come dispose of their documents and unused prescriptions. This easy, drive-through event allows people to bring up to five boxes of documents for free and secure on-site shredding and recycling along with the disposal of all old and unwanted prescriptions. All patrons are to remain in their vehicles during the event; City staff will do all the work for you.

A special thanks goes out to the Pinellas County Consumer Protection and Sheriff's Department for their partnership with us to make this event possible.

BUSINESS LICENSES – TIME TO RENEW! *Zain Husain, Assistant Community Development Director*

Is your business located within the City of Safety Harbor? If so, you must obtain a City of Safety Harbor Business License. These licenses are issued annually and are valid from October 1 – September 30, of each year.

Current business license holders need to renew their license by September 30, 2024. Invoices were sent out in July and payments can be made as follows:

- Pay online, using the URL of the City's business license web page.
- In person, at City Hall at 750 Main Street, Safety Harbor, FL 34695.
- By mail, to City of Safety Harbor, Building Division, 750 Main Street, Safety Harbor, FL 34695.

City Hall is open Monday through Friday from 8:00AM – 4:30PM. The City accepts cash, checks, money orders, and credit cards. A 2.95% transaction service fee is added to credit card payments, with a minimum transaction fee of \$1.95. Renewals not received by September 30, 2024, will be assessed a late fee.

For more information about business license renewals or obtaining a new business license, please visit the City's website <https://cityofsafetyharbor.com/96/Local-Business-Taxes> or contact the Building Division at 727-724-1515.

Flood Zone Information

The City of Safety Harbor is a participant in the National Flood Insurance Program and Community Rating System (NFIP/CRS).

We offer FEMA flood map determinations and information regarding wetlands and other natural systems on property

located in the city. Elevation certificates, if available, may be obtained through the Building Department.

For more information regarding this program, please contact the City of Safety Harbor at 727-724-1555.

Outside Agency Funding

The City of Safety Harbor is taking requests for outside agency funding. To be considered, funding requests must be returned to the City no later than September 30, 2024.

Requests will be considered at the City Commission meeting on Monday, October 21, 2024.

The application can be found online on the homepage of cityofsafetyharbor.com.

SAFETY HARBOR PUBLIC LIBRARY

CONSTRUCTION UPDATE. FOUNDATION CONTINUES TO FUNDRAISE. LIBRARY CARD SIGN-UP MONTH.

by: Lisa Kothe, Library Director

If you've been by or inside the library lately, you've noticed our construction progress. In August we celebrated 45% completion of the second story and our interior lighting upgrades are complete. You'll notice the new elevator shaft and stairwell in the front of the building and relocation of the bike rack to the west side parking lot. Solar panel stands are being installed on the flat roof of the second story and window install and exterior stucco has commenced, along with interior framing. Everyday progress is being made. We look forward to the finished project in spring 2025 and sharing our new space with you.

The Safety Harbor Library Foundation continues their fundraising efforts to enhance their previous \$500,000 donation to the city for the second story project for needed furniture and fixtures. On the evening of September 13th, the Foundation presents Best Laid Plans an interactive Mystery Dinner

Theater fundraiser. For information and tickets visit: SafetyHarborLibraryFoundation.org. Mark your calendars for Friday, October 25, 7-9PM for Blues on the Bay, a free concert, with Julie Black & her Band at Waterfront Park in partnership with the library. Beer, wine, and food trucks available. Donations accepted at the event.

September is Library Card Sign-up Month, a time when libraries nationwide work together to ensure every child signs up for a free library card and to remind communities about valuable resources available at your library. From borrowing tools, museum passes, books, eBooks, board and electronic games, and STEM kits, or attending a program, concert, book club or story time, a library card helps you do more of you enjoy. All without stretching your budget. You can apply for a temporary library card online: pplc.us/get-a-library-card, then visit the library within 14 days to receive your permanent card.

All renewal and new library card sign-ups in September are automatically entered in a raffle to win a prize. We'll have a prize for kids, tweens, teens, and adults. For information on all our programs and resources, visit: SafetyHarborLibrary.com or call the Answers Desk, 727-724-1525 x4112.

SAFETY HARBOR RECREATION

BENEFITS OF ART *by: Christine McWilliams, Recreation Program Supervisor*

You don't have to consider yourself an artist to benefit from creating art. Art in any form can be a great way to improve your mental health by reducing stress, increasing happiness, fostering social connections and promoting self-discovery. Making art is an effective way to increase focus, improve self-esteem, enhance concentration, reduce pain and depression. Whether it's painting, writing, dancing or music, art in all its forms can be beneficial to your self-care and mental health.

ART WORKSHOPS & CLASSES

Making art is a form of self-care. You can use art to calm your mind, get into the flow, and just breathe. Whether you are creating art for yourself, with a group or sharing your work with others, art facilitates social connections, thereby reducing loneliness. Art classes and programs provide opportunities to meet new people who share a common interest and can be a great way to learn from others. The Recreation Department offers many art classes and enrichment

programs throughout the year. Program class offerings include painting, photography, stitching, dance, piano lessons and many more. Register for one of our art programs today!

PUBLIC ART & TOURS

Public art benefits cities, by attracting tourists, visitors and transforms civic icons into vibrant expressions of creative imagination. Public art can add color, texture, dimensions to buildings, streets, and public areas, making them more inviting and visually appealing. Public art can improve the quality of life for the community and help attract visitors, which can have positive social and economic benefits to the city. Register for one of our public art tours and explore the city's art today!

CITY GALLERIES

The City of Safety Harbor, has three city art galleries, where artist can display their art. These locations include City Hall, the Library and the Museum and Cultural Center. Artist who are interested in having their work displayed in a City Gallery, should fill out the application on our city website page.

In summary, it doesn't matter whether you consider yourself an artist, expressing yourself creatively can be beneficial for your mental health, self-care and happiness. Making art can boost self-esteem and a sense of accomplishment. It allows us to explore new things in a safe space. Art provides us with the opportunity to see things from a new perspective and live in the moment. So, what are you waiting for? Let's create some art!

The logo for Spin & Row features the words "SPIN & ROW" in large, bold, pink letters. To the right of the "O" in "ROW" is a circular graphic with a yellow border and a black "CC" inside. The text "at the" is written in a smaller, black, sans-serif font within the circle. The background of the logo is white, and the overall design is dynamic and modern.
