

An Invitation to Conversation: Safety Harbor Public Library staff wants to inspire hope and decrease feelings of isolation in our community during these unsettled times. Staff writers would love to exchange cards and letters filled with inspiration, quotations, interesting articles, poetry, or simply a kind hello to homebound residents to brighten their day.

Participants are welcome to write back in response or can participate simply by receiving inspirational cards or letters and can remain completely anonymous if they choose.

A registration questionnaire form is required to enroll residents in the program. The form can be scanned and emailed back to us or mailed via USPS. Letters will be sent to participants from library pen pal staff at least once a month.

For more information, or to start or stop letters anytime, contact Outreach Services:
