1. *COMPANY (Name redacted)* does not currently have completed projects in Florida using the specific products we plan to apply for this project. However, we have successfully completed multiple installations for tennis, pickleball, basketball, and bocce courts in other regions. The fixtures we are proposing in our bid are already proven and installed in various parts of the country — just not yet in Florida. With that in mind, I wanted to confirm whether we are still eligible to submit a bid for this project.

ALL proposals received before the deadline will be reviewed and scored in accordance with the criteria provided in Addendum 2. Additionally, please see the additional reference request for one project completed over 10 years ago listed in Addendum 2.
